Freedom Summits

22 January 2015 · 

The next round of Freedom Summits looks to be in Sept on the Gold Coast only.....

The speakers that we have either secured, or would like to have there include;

Ken Okeefe, (Crusader)

Max Igan, (Crowhouse)

Russell Brand, (Comedian)

Geoff Lawton, (Permaculture)

Sasha Stone, (New Earth Project)

Wayne Glew, (Former Police Prosecutor)

Mark McMurtrie, (aka Gunham Badi, OSTF)

Bruce Lipton, (Quantum Physics)

Paul Watson, (Sea Shepherd)

I have half of these speakers sorted, and working on the rest through great and highly appreciated connections.....

Who else would YOU like to see at the Summit?

Please let us know and we'll see what we can do

RB, Sasha Stone... and David Wilcox (suggested in a comment here) are well known to the more sophisticated as Illuminati shills .. You need speakers who can trace the origin of our slavery back past the Zionists to the Vatican

in my book "It Began With A Stubby" a spiritual
awakening Aussie style after being raised an atheist who
studied successful people to see what made them tick!
